

Unified Streaming
Platform

Skip over the basics by jumping right into tips, tricks and hot topics and become the expert!

- ▶ Our Unified Certified fast-track course gets you Certified but lets you skip over the basics and jump right into tips, tricks and hot topics.

▶ What is the fast-track expert edition?

For those of you already familiar with the finer points of our software, we recommend the fast-track expert edition of Unified Certified. This abbreviated program begins with a certification exam, eliminating the one and a half days that our standard Unified Certified course spends on exam preparation.

▶ Why do we offer this?

Unified Certified provides detailed information about our products and solutions. You leave the course equipped with deeper insight into our platform's virtues and, in turn, how to apply them to get the most value out of your business. The expert edition was designed for participants who regularly use Unified Streaming's portfolio of products. Many of our clients have long worked with us and have advanced understanding of our software, but acknowledge there's always more to learn. Prior to enrolment, we'll talk with you to assess your experience level and ensure you're ready for the fast track.

▶ How is it designed?

These one and a half days course starts with the certification exam. It is followed by a session on Unified Remix and another on advanced features and our latest innovations. Led by our professional trainer the day concludes with an identification of topics for the next day's open-floor session with our development team. Topics can range from feature requests to input on advanced set-ups or roadmap insights.

▶ What do you get?

Upon course completion, you'll be an official Unified Certified certificate-holder. That means you'll have gained a multitude of new and enhanced skills reflecting your Unified Streaming technical expertise and you'll be eagerly welcomed into our expert tech community.

▶ Where will it take place?

The exam and course are offered at our head office in Amsterdam.

▶ How much is it?

The fee is **€2,500** per person.
